“ *I never had the chance to really get to know my great aunt Sheryl. I never knew what her favorite color was or her favorite food. I do know that she had three beautiful daughters. I also know that she had a late husband named Happy. The fact that her two favorite songs were Me and Bobby McGee and You've Got a Friend makes me realize that she was looking for and or feeling what life is all about. May God Rest her soul. I love you.*

“ There will be no more pain and suffering you have been set free. You had three beautiful daughters, two grandchildren and loved them very much. You liked working in your gardens, and we remember so many times of you rescuing animals tame and wild. You could do beautiful embroidery work and taught your daughters that. Back in the 60's & 70's we remember you being a fan of Janis Joplin "Me & Bobby McGee" and Carol Kings "You've Got a Friend". We will always keep you in our hearts. Rest in Peace our dear sister.  
Love always,  
your brother Charles and sister Joan
