“ I was a sophomore when I pledged Sigma Phi Epsilon. Mary Jo and Nick were there for this small town boy from Indiana. She was indeed a great listener, but even more a great voice for reason. I last saw her and Nick in the late 90's on my last trip to Indiana. We exchanged Christmas cards for years, then like too many good things, we stopped. Over the last few years, I've attempted to find her, but with no luck.

Ed Sample sent me her Obituary today, just four days after I asked Ed if he knew where she was living. Ironic, isn't it?

She and Nick were the best. My heart goes out to everyone else who loved her.

“ I am sorry for your loss. Shirl and I worked together for many years. Then later belonged to a Bunco group. She was always warm friendly and up for a conversation. My deepest sympathies and prayers.

“ *Mary, I just wanted to let you know how sorry I am to hear about your loss of Shirl. 13 years is not long enough to be with someone who you love. I know how much you loved each other, it was obvious when ever you were together.
May God bless you and comfort you and your family and friends at this time.*
