“ Dear Kim,

I read today that your mom has gone to be with the Lord.

Some of the best memories of my life were spent with the Richardson family, and your mom was a big part of this. She was always a lady...charming, gracious, and poised.

May the peace of the Lord be with you and your family, especially at this time of bereavement.

*Sincerely,
Shari Greer Regner*

“ *Kim and Gary,*

I am so sorry to hear about Kim's mother. I understand that she went quick with no suffering. Which I guess is the best way. She is in a better place now and you have all the good memories to fall back on. Sorry I can not be there for support but want you to know that you are in my thoughts and prayers during this most difficult time.

God bless you both and your families.

Love, Larry

“ Dear Bob, Kim, and family. I am so sorry to hear of Shirleys passing. Your family has always been so special to me and I will miss her so much. She always smiled and made me laugh, and I enjoyed her company, right up to the end. We were still planning that BBQ, don't ya know :) My thoughts and prayers are with you now, and your Red Lobster family sends theirs as well. Love you, Suez Servis.

“ *Dear Family of Shirley Bruner,
My sincere condolences to you all on the passing of my dear neighbor who was always so sweet to me and my family. It has been a hard road, these last few years, as well I know from my own Mom's passage through Alzheimer's, but now you know she is in a better place. Take care of yourselves, now, and rest easy.
