“ Oh what wonderful memories I have of my cousin Shirley (which was more like a sister). She was a fun loving, kind, sweet person with a hugh compassionate heart. We shared so much fun and good times together in our childhood and when raising our kids. Those good times will always be held in my heart and never forgotten. Thank you for being my cousin and my dear friend. All good things must come to an end, but you left us way too soon with broken hearts.

“ Mom-

You were my best friend and my mother. We shared A LOT of excellent memories together, and I know how much you loved me along with all of your family, especially your grandkids. I can not thank you enough for all the love and wisdom you shared with me and I can only dream that I will be half the mom you were to me. You were an amazing person and you will be sadly missed by everyone. God must have needed another precious Angel and he wanted you to be inside those pearly gates with Dad. I know how hurt you were on 09-07-09 when Dad was taken home to heaven. I could continue to type all night and it wouldn't come close to showing you how much I love you. I love you to pieces and I know we will all be together again someday. I love you...
