“ We are sorry to hear about the loss of Sierra Sue. We sure enjoyed her company when we had the chance to visit with her. She always had her dog Snoopy with her when she stopped by the Thacker Road cabin. She was a lot of fun to work with. And Larry enjoyed working with her mother too at RCA.

*We are also keeping Hayes in our prayers and hope for his recovery.*

“ I grew up down the road from Sierra. Hayes and I would get together to play when were 5 years old, maybe younger Sierra would hook the wagon onto the lawn tractor and give us rides. I remember when it was snack time she would give us a paper cup with brown sugar. We loved it! Those were good times! She was a great person. RIP Sierra.

“ I have known Sierra for many years. Her and Hayes spent a lot of weekends trial riding and camping with our family (Dale and Pat Long) . She would usually ride one horse and lead another because she didn't want to leave one horse at home. She loved her horses. She was a good friend that would do anything to help anyone in need. She will be missed here on earth but I think that her and my mom just might be riding the trails in heaven.

“ No matter what the weather I always felt better when Sierra smiled and looked my way.  
The guardian of the gate that I greeted many a day on my entrance to RCA.  
When horsing around I bet she could outride any man alive.  
So sorry to see her go, GOD Bless her soul.  
We shared the same day of birth, like an older sister I'll sure miss her.
