“ *We were talking a few weeks ago and he told me about sneaking out to my old Road Runner, getting In and pretending to drive , complete with his own sound effects . I'm not sure how old he was , under 10 for sure . I never knew he did that , but it makes me smile to think of little boy JR sneaking down from his Grandparents house and climbing in that big old car .*

“ *I've got way too many memories and I can't think right at the moment but I remember the one time mom had a nice Cadillac and let you drive it and you kept ramping the railroad tracks by 8th street and made mom's car have hydrolics on it lol. Love and miss you so much. Love the lil sister you didn't want lmao*
