“ We`ve known each other "fer a coon`s age" the old timers would say we stuck together through bad & good times we`ve tackled some big jobs, sometimes just for fun, shared our stories, and secrets of the woods , had our share of big on the line Now you`re scouting out a new spot not too far to walk just a short stroll from heaven`s doors where the bucks are all nice ones and the mushrooms are huge, & there`s a coon dog asleep on the porch keep the coffee pot going till I get there old friend to hang out with you once more
