“ Steve was a very kind gentleman. Always enjoyed my chats with him at both stores. He and I shared a love of San Diego. He spoke of his wife often. His care for her was superb. I often wondered how he was after he left Sam's. Rest in peace my friend.

“ I remember Steve and working with him at Walmart, he was always kind, smiling, friendly and seemed to be always happy. He'd speak to you with kind words, he was honest man and I miss working with him. I apologize for your loss and he will be forever missed but in our hearts, thoughts and memories.
