“ Dear family and friends of Steve, I've known Steve since I was in high school. He was a few years ahead of me. When he was working at Whitesides in the '60's, my friends and I thought he was a pretty cool guy and someone we might want to emulate. We both found ourselves selling cars at Royal on the Eastside for a couple of years, and it was a pleasure to work with a gentleman and a pro. I regret that I will not be able to come to visitation to express my condolences due to recuperation from surgery. My Sympathies for family and friends, Tom Miller
