“Gina, Ryan and Nicolas, I am so sad to hear of Stephen's passing. When he and I were in fifth grade, he was the Boy of the month for the Boys and Girls Club, during the same month that I was Girl of the Month for the Girls Club (Girls Inc). The first time that I met him, I knew who he was immediately because our pictures had been side by side in the paper. Throughout our teen years, he was one of my closest friends. In May of 1992, he was one of four people that I'd gone to get pizza with downtown. I had a medical emergency and he and Daymon Stewart carried me into the ER, the surgeon said if I hadn't been brought to the hospital I would've died. Last fall, I had the chance to thank him for saving my life. I still can't believe that he's gone, but I am thankful for all of the memories that I have of our teen years. I'll always thank to him for saving my life and being my friend.....,

“Nuit and family- I was heartbroken to hear of Stephen's passing. My thoughts and prayers are with you and your family during this time. I am not sure if I will be able to come out to the Church because of my work schedule. Stephen was a dear friend of mine and the memories I have of his smile and laugh will remain forever.
