“ Heather and Caitlyn: I haven't seen you recently and it has been a year since I saw Steven last, but over the years I thought of you often. Steven was always warm and greeted me last year with a warm hug. It was lovely to see Caitlyn at my Mom's 100th birthday too. We missed you Heather and we sorry you were unable to be there. I am so sorry and shocked at this terrible loss. I am teary as I write this and think of the mischief that Steven and my son Bob used to get into when they were together with all their sisters. At that time there were 3 sisters for each of them. Steven had a wonderful sense of humor and we know you and the rest of us will miss him. I pray for you to be comforted and at peace knowing he now is healed of his awful illness. Love to you both from all of us here in California, including cousin Debbie Smith. Grandma Brown sends her love and hugs too.

“ Dear Heather & Caitlyn,
This is such a difficult time for both of you and so little that others can do to ease your pain. I hope there is at least a little comfort in knowing that so very many truly care.
Stay strong and know there is a plan for you.

With much concern and caring,

“ Heather and Caitlyn, these past ten years of driving at Hanna there has been no one I have become closer to than Steve.....there were so many good times and times I wanted to strangle him because he was so hard headed! I am really going miss him a lot, it's hard to think about me not having my buddy to text or talk to everyday anymore. When I needed a good laugh or someone to gripe too he was always there, I hope you guys find some comfort in knowing everyone really loved Steve a lot for who he was and how respected he was as a man and employee at hanna. I just wish I had gotten one more chance to say goodbye. RIP Shreck love ya buddy
