“ My favorite memories with Grandpa Steve are fishing in the back yard. When I'd get freaked out by the bats him and Grandma would make me laugh and we'd catch lightning bugs and tons of little fish,. . . or seaweed and they'd have to fix our poles. We always had so much fun visiting Indiana. I'll forever remember his smile and laugh and his Elvis impersonations. I love you Grandpa Steve and (lip curled up) "Thank you, ... thank you very much" for all the love and kindness you put into the world while you were here! ❤️ 🙏 😊

“ Steve was the kindest man I will probably ever know, he always had a smile on his face or a joke to tell. We could get him laughing so hard he would cry.
He never failed to ask me how my kids were and was always so interested in what they were doing as kids and adults.
He definitely left my kids with some very good memories of him.
He loved to go to the store with my husband when we came to visit and they even went to the Indianapolis Speedway last year and did a tour. They tried to go to a classic car show this year but it was closed. He loved classic cars.
Sorry Steve we didn't make it to Shelbyville this year I know how much you loved going there.
Steve we love you and you will be missed so much.
I am so happy we got to see you again this year.
Rest in Peace we love you.
