“ Steve was one of my favorite people ever. In High School he was not only smart and talented but kind. That seems to be a rare combination. We kept in touch for years and I appreciated his efforts to do that. His friendship meant a lot to me.
Mr. Libkie, Cathy and Carol, blessings on all of you. I remember you all fondly.

“ Very sorry to hear this news.
I remember some fun times when we would come to visit (and swim in the pool). Steve had some "cool" stuff -- projects he was working on, games we could play, "advanced technology gadgets" that expanded our imagination (and our Christmas lists). We lost track of Steve, for the most part as we got older but would occasionally get an update or see him at a few of the family reunions -- his life became a bit of a mystery to us. But I do remember a lot of good times and I know he was loved and will be missed.

Hope you all are doing well. It was good to catch up a little at the family gathering in Bloomington last month.

Take care and God bless you.

“ *Everett and family--*

Loren and I want you to know we are thinking of you.

I remember Steve as he was growing up as a sweet little boy who played with my little boy at Cinderella Home Ec. Club picnics and parties.

MayGod be with you all in your time of sorrow.

“ Steve and I were in the same kindergarten carpool and were good friends all through school. When I still lived in Bloomington, I saw him occasionally--usually walking on the street. Sometimes he knew me and sometimes not. When he did, he was always friendly. When he did not, he was merely confused, never rude. I hope there is some comfort in knowing that he was loved by others, even if that love was not easily communicated.
I am sorry for your loss.
