“ *I met Sue through my brother Gary. I think I knew immediately she was the one for him and he was the one for her! It was ( after watching them awhile) the way they were together, the way she looked at him, he at her, they smiled at each other, just the little things I knew! I would visit them as much as I could and they would do the same! I still treasure the little things they got me over the years. Sweet Sue was as thoughtful and kind as could ever be. I was with her when my brother passed and I know how hard it was for her. Now Sweet Sue go Rest In Peace and we will all see you soon.. All our prayers and Love Mel & Jack Colando*

“ I met SUE IN 7TH GRADE. WE WERE FRIENDS EVER SINCE. WE LOVED TO GO TO ALTERIS PIZZA IN STOW AND HER DAD WOULD DROP US OFF SO THAT WE FELT WE WERE ALL GROWN UP! SHE COULD EAT A WHOLE BAG OF NACHO CHEESE DORITOS all herself when I would spend the night. We had a lot of great times and I miss her so much already ! Rest in peace Friend, give Gary a hug from me !!

“ I remember coming home from school and seeing Mom finishing up a pie and very little Sue taking the leftover dough and making a little pie. She still liked to bake pies when she grew up... I remember riding down Osage hill on my bike and Sue sitting on the handle bars. I wiped out at the bottom of the hill and we both were just sitting there crying! .. I remember when the family would go to the lake to swim, Sue and Mom would play basketball later on after the cookout.. Brauna

“ My dear little sister Suzy Q. When we were little we would hide cheese puffs around the house to find! Sometimes when we got older I would bring some to the hospital to cheer her up. - Dana

“ I remember Sue at age 4, cutting off half of her hair, and getting into trouble for telling Mrs. Estep to eat a bug.
