

Tamara "Tammi" Jo Chambers

August 3, 1957 - April 19, 2025

Tamara (Tammi) Jo Chambers, age 67, passed away peacefully on Saturday, April 19 2025, at Bloomington Hospice House surrounded by family. Born August 3, 1957, in Cando, ND, she is survived by her mother Melva Needham, her siblings Michele Needham, Maurine Settergren and Thomas Needham, her children Amy Holloway and Joseph Scales, and six grandchildren. She was preceded in death by her father John T. Needham and her husband Kenneth L. Chambers.

Tammi was a lover of people and animals, drawing them near her at every turn. She was a magnetic personality, finding friends of all ages and walks of life. She was always able to find common ground with any individual. She had a laugh that caused others to join her, and an accompanying smile that could brighten any dark day. She delighted in board and card games, where her competitive spirit flourished. She also was an avid opera singer, or so she thought.

A celebration of life is planned for May 24th from 12-4p at Lion's Den Shelter House in Upper Cascades, across the street from the Cascades Golf Course Clubhouse. In lieu of flowers, the family asks that you donate to your local animal shelter or charity of your choice in Tammi's honor.

“ *Tammi was always down for an adventure. She shared her love, wisdom, and passion with everyone. She was always there when I needed advice, a hug, or a good laugh. I will miss our craft nights and nature walks. She loved finding cool rocks and pretty flowers just as much as I did...she cared for everyone and everything. Tammi was an inspiration. Not a soul on this planet quite like hers. Love you forever Tam ❤️ ☐ You will never be forgotten. ❤️ ☐*

“ I met Tammy in 2012 when I transferred from working at the hospital to the Dr's office. I was a bit nervous when I went to work there because it had been many years since I had worked in a Dr's office but Tammy came along & made me feel very comfortable about being a new coworker there & she was always ready to help. I will never forget her kind & gentle approach to so many different things & her personality that made you want to be around her. She was a special lady & I will always remember her with a smile
Rest in peace sweet Tammy

“ I’ll love you forever momma. You were the absolute best mom and friend I could ever have dreamt of. We never went through the fighting phase, I never once thought ugh.. my mom. Never. You were the one person I ran to, I trusted you and your opinion on every matter. The only person I could come to vent and you would tell me what I needed to hear, not what I wanted. I hope I made you proud. I hope you and daddy are together again. I love you. I miss you.
