“ I would like to express my sorrow to the family of Tana. I used to play with her when I was young and to this day I think of her when I see an empty turtle shell (she tricked me into smelling one when we were young) or anytime I hear "lean on me" which she taught me to play on the keyboard (and I still know how). Though my family hasn't seen or spoken to Tana in years, I would still like to send my condolences and would like for you all to know that the few times I shared with Tana stuck with me. I will always remember her as someone I wanted to be like. She will be missed by many.
Sincerely,
Colleen

“ Sending positive light and prayers to your family.
I was a good childhood friend of Tana's, and will always remember her laugh and smile.

I am fortunate that I got to see her recently at our 10 year High School reunion. Having a lasting memory of her laugh, once again, and upbeat personality is what I'll always remember.

I'm thankful to have had her around since 3rd grade, and will never, ever, forget her.
