“ *I had the pleasure of working beside Tana Jo in the Court System AND going on vacation with her to Florida. I shall never forget her high heels that she insisted on wearing, even in the sand. Although she became stuck and finally had to succumb to the fact that heels cannot be worn in the sand. I admired her greatly for trying and almost succeeding. She is the only one that I know that could walk in those heels effortlessly. Our loss is heaven's gain.*
