“ *First time I saw her, actually other than coaching her mother in her initial presentation of birth, the name of Bird Woman came to mind. So petite and fragile, hair in a fly away style. She had my heart first view. She grew up to be beautiful swan, but full of troubles and hurts, even so, she pushed through until her daughters are grown, so happy to be a grandma, she knew love like only a parent knows for her children. Which she kept reiterating on her writings. No one will know why she had to go, as Tara took the exact reason with her, deciding to spread her wings and join the redeemed in Heaven. Whether meant or not, the finality is here and breaking many hearts, with no time to talk to her, help her to find peace. Please please, if you are sad and feeling hopeless, please don't wait, talk to someone. There is help out there, always. Reach out. Please don't finalize and never find the chance for you to be happy here.*

*Love you,*

*Aunt Joyce and Uncle Nelson*
