“ Dear Joseph,
My prayers and thoughts are with you and your children at this time. I am Terri's first cousin, my mother was Vera, Peggy's sister. I am eight years older than Terri. I have met you before but it was some time back. It has been seven or eight years since I have been in Indiana. Another cousin, Tom Sandy, called me to tell me about Terri. Just wanted to let you know that you and your family are being lifted up in prayer and thought.
Sincerely,
John E. Locke

“ So many memories of times gone by. Fun times, sad times but always shared love. Many years without contact. When we found each other again on facebook we talked together as if no time had passed. Shared our love for our families and our precious grandbabies. Pictures were a blessing. I feel I know all 5. Please keep the pictures coming Kelly, even though I haven't seen you since you were little they have become a part of my life through your Mom. Terri will be missed. I keep you all in prayer for strength to get through this hard time. May our Lord Bless and keep you all.

“ Dear Joe and family,

I am so sorry about losing Terri. She lit up my life when I was at Ivy Tech. She loved art and I shared that love with her. She had an energy that came from her passion for art. She loved her family and that showed in her attitude toward life. I just loved being around her. She energized me.

I am so thankful to God that He put her in my life for just a short period of time. I had to move on, but memories of her and Joe are always with me. That is a blessing.

I am praying for all of you. I take prayer seriously. So, in Texas, there is a prayer warrior for y'all.

God bless all of you.
