“ *My favorite memory is when I was a little girl and he was teaching me how to put our garden up. He'll always be my dad no matter how things turned out and I'll always love him. I wished I would have went out to see him and I know I hurt him when I didn't. I pray that he can see into my heart and understand why. I'm sorry for that. I love him and miss him so much but I know he can be in a good place now and watch over us all. He is a good man and he is a very good dad. He taught me so much and I'll never forget it. I love you dad.*
