“ *I have such fond memories of Uncle Tom. He was a very special uncle with such charisma and a big heart. From the days of my childhood around the farm to more recent days when my son Gabriel enjoyed the same. He always took the time out of his busy days to show us lots of love and fun! He was a strong and courageous man who I will carry tenderly in my heart forever. Thank you Tom and Betty for all you have done for our family. I'm eternity grateful.*

“ My condolences to the family! My father, Hugh Chambers, loved his cousin Tom and had many fond memories of being young with him. It meant a lot to our family that Tom and Betty came to visit Dad regularly while he was suffering with Alzheimer's. Dad had days when he didn't know us and didn't know where he was, but he always lit up when he saw Tom. I hope they are together now.

“ *I've known Tom since I was 16 and he was 11. He was a wonderful young man and that didn't change over the years. He was a caretaker and care giver. Always taking care of everyone else. He was my brother in law when I was 17. We will always miss this wonderful man. He was family. I'm so grateful that I got to see him before he left this earth for his heavenly home. One day I'll get to meet him again. Love you Tom. Pat Calton*

“ Living so far away I didn't get to see Uncle Tom and Betty a lot but I have such loving memories of him when I was a kid as well as an adult. He radiated love and kindness no matter the circumstances. He was a rock for me and my siblings when my dad passed away although I know he was hurting too. Betty, my thoughts and prayers are with you and all the family. My heart hurts for all of you. Uncle Tom will be greatly missed but never ever forgotten by those of us who loved him.
