“ I had known Tom for the 43 years I worked for Otis. He was one of my first contacts when I started in St.Louis. Tom was Mr. fixture in the Architectural Dept.in New York.
In moving both all over we still stayed in touch and we both ended up in Bloomington with the other NY boys. I will miss Tom very much as he was a very dear friend.

“ I am very sorry to hear about Tom. I always enjoyed playing cards on Wednesday with him. He was very welcoming to me when I first joined the group and was very patient with the young kid in the group. He will truly be missed.
