“ *Shirley and family,*

*I am so sorry about the loss of Pete, I didn't see it in time to make it to the funeral home. On behalf of myself and the Bloomington High School Class of 1965 we want to extend our deepest sympathy. If there is anything that you need, please don't hesitate to call me. If you get a chance, I'd love to hear from you. I didn't know you were back in Bloomington? And didn't know he had been ill? Our 45th Reunion will be next year and we will remember Pete during the Welcoming and Invocation. I lost my mother in March...I know how lonely it can be without a loved one !
I'll be thinking of you, May God Bless you all at this time of loss.*

“ Mom- I am so sorry. I have seen over the past 9 years or so that Pete really loved you with all his being, as well as you loved him. Even though he was not my biological father he made me feel like he was. I just wanted you to know this because you know me I dont like to show emotion to well, But I really loved Pete like a father. My kids will miss him so much because he was there only PAPA! Love You.

“ Shanna, and family, you are in my prayers. Try to remember your Dad with gratitude, not grief. He had an amazing young woman as a daughter, that I know he was extremely proud of. I love you!

“ For Shirley and the kids, words are just not enough and I know that. I hope you are able to take some comfort where you can. Keep each other close, pray a lot and let your good memories fill your heart. I am so sad for you.

Pete was bigger than life, fun and loving and he would want you to remember him "happy"!

Adaline, I have a special prayer for you. Be strong. Remember, "Earth has no sorrow that Heaven cannot heal."

Love, Karen
