“ I was so sorry to hear of the loss of your brother. My mother, Maryfrances Gorham, had Todd as her hair dresser for something like 20 years until she had to go into a nursing facility. She spoke so highly of him, and I know she looked forward to her weekly conversations with him and all of you at the salon.

“ My prayers to Todd's family, friends and fans. Todd, wow so much to share, he was always in a good mood. He would always take the time to stop and listen to anyone who approached him. He was a very loving soul, and a great musician. He would spend hours practicing with all the bands he played with and on his own. Todd always welcomed you to come along no matter who you were. He did not judge you or make any type of demands on people. He had a lot of patience with people, just ask Billy, Randy, Paul, Jim, Jeff, etc. Remembering back in the day when the guys would practice in Billy's garage, I would hang out to listen to the music they were putting together. What wonderful memories. May you rest in peace, my dear friend.

“ To the entire family, you have my deepest sympathies and most heart felt condolences. Todd was an incredible person, friend, musician, band mate, and brother, with such a heart of gold and a loving soul. He shall forever be missed. I will never forget every song we played, every conversation we shared, every laugh we shared and every dream we spoke of playing music for the rest our lives. He did live his dream and though it ended so soon, he touched and changed so many lives with his music, creativity, sense of humor and his incomparable loving and caring heart..... May he now forever walk in Gods kingdom of glory, and sing from the largest stage.... From the gates of heaven... Amen.

“ I'm very sad to hear of our loss of Todd from this earth. I thought of Todd as a real nice guy. We were classmates in High School and used to "cruise" around downtown on the weekends. I will miss being able to run into him from time to time. Todd was my friend and I will miss him. Just a really nice guy. :(May his family be comforted by gods grace.

“ I am so very sorry to hear of Todd's passing. Words cannot express the heartfelt sadness and loss I feel. I've known Todd for about 38 years, and although I moved out the area, we stayed in touch and remained friends. I know how much he meant to everyone around him, but especially his family. My thoughts and prayers are with you at this difficult time. May God be with you to comfort and strengthen you.
