“ Tammy, Destiny, Anthony and family, I'm so very sorry for the loss of Tony. I cannot comprehend that he's gone. Such a tragic loss for all. He is reunited with his family in heaven. He's with pop now and stirring up trouble and laughing. They were the best of friends and they loved each other. My heartfelt love and condolences to you all.

“ Tony I am going to miss you, even tho we haven't seen each other for a few years. There were times when I needed your help and you were always there for me. I never tried to take advantage of your caring or willingness to help me when I was in need of help. Just mentioned this because this is a part of who you were. I have always loved you because of the man that I knew you were. Not perfect, but you had a heart of compassion, laughter, plus your sense of humor. Like the "special Birthday gift you put together", just for Bart. That was ingenious of you, and he so deserved it. We all laughed so hard, the look on Bart's face and the Memories. And we made a lot of them.

Thank you for all the good times, the memories, and all the songs you sang "in the shower." Chiseled In Stone, by Vern Gosen. # 1

R.I.P. Son, You are in the arms of the Lord. Amen

*With Love, Always and Forever,
Jo Ann Taylor*
