“ I'm sorry for being so late with this, but I came across the listing online by accident. I worked with, and was a supervisor for, Tracy while she worked for Operation Life Ambulance in Martinsville. She was a pleasure to work with, always funny and upbeat, and kept everyone on their toes. I am truly sorry for the loss your family has been dealt.

“ Mark and family. I am so sorry to hear of Tracy's passing. I only just found out this weekend. It is such sad news. I remember when Tracy used to babysit me in the summer in Ellettsville. We had such fun. Then, when I was older, I babysat her kids a time or two. She will be missed deeply. My thoughts and prayers are with you.

“ We knew Tracy when she lived in Kelli Heights. She was a wonderful and caring person even as a child. When I went in for kidney stones, she was right there at the ER encouraging me. She told me of her family and I heard so many good things about her work in the community and the love she had for her family. We are very sadden by your loss.
