“ *My heart hurts for everyone who knew and loved Troy. I believe we never get to know or understand why our loved ones have to leave us so much sooner than they are supposed to. I am praying for peace and comfort for all of you. I know he has a big family and you are all in my prayers. Connie, Raven, Rusty and Glenn, I am so sorry for this huge loss. I hope you find some comfort in believing Troy is with his Dad. This helps me, to believe everyone I love has company now. I love you all and will keep you in my prayers.*
