“ I was a client (as well as a friend) for about 20 years, and hated to have Verna move to Ft. Wayne. We enjoyed many good times. I remembered her son's name as Jim - is that my mind getting forgetful? My sympathy goes to all the family - you have had a lovely mother, grandmother, aunt and sister. My you see her again in God's house.

“ i worked with verna at the salon fr many years, she gave me not only a place to work but a home. she always gave me a place at there table with her family, for thanksgiving and christmas and anytime i was welcome. ill always remember the trip i took with her and tom, and jim on the alaska cruise. we had such a great time. so many memories. she was like a mom to me and that meant alot. my mom had passed just before i came to work at her salon, so it was a great comfort to me. i will always love and cherish the time i had her in my life. such a special person, i know shes in a beautiful place with the lord. i love you verna forever. david
