“ I have been blessed to be a coworker of Vic's for many years. His knowledge and helpfulness made challenges easier to work through. Plus, his smile, sense of humor, laughter and kindness made him a joy to be around. His love for his family was obvious and abundant. He holds a special place in many people's hearts. “ I'm praying for all of Vic's family, and have been since hearing this sad news. Growing up Vic was like another brother to me, and although I haven't seen him in several years, he still felt like part of our family. Praying for peace and numbness of the pain for the family as you say goodbye to your son, brother, dad and grandpa.
