“ *My condolences to the Crecco family and friends.*

I grew up on Old State Road in Evansville and was friends with Vicki's brother, Bart, attending High School at Central and later while attending IU.

Vicki's mother and brothers were very strong and supportive of Vicki who I remember as an intelligent and very pretty young woman.

My heart goes out to the family at this difficult time.

“ I worked with Vicki on many major projects and she was very good at keeping all of the team on task. She was so dedicated to her job and was a top performer all the way up to her unfortunate early death. She was a mentor to me many times thru out our days of working together. I will miss her beautiful smile, she will forever be in my heart. I do take comfort in knowing she is no longer suffering and is with her husband. I will pray for her family as well as her work family as I know she was dearly loved and admired by many.

“ Dear Crecco Family,

*I am so sorry for your loss of wonderful Vicki.
I knew Vicki through the Y's cycling classes and it was always a joy to see that she was leading a class. She was a great instructor and her playful spirit always shined. She had a way of welcoming everyone whether it was their first time to the class or their 20th.
She will truly be missed.*

“ I had worked at Bloomington Hospital several years when Vicki began her career there. We got to work together for several years. She was always such a joy to work with. She was always professional but trust me, we certainly shared our fair share of good belly laughs together as well. I will always remember that charming smile. Thanks for sharing her with all of us. I am so sorry we lost her so early.

“ I was so saddened to learn of Vicki's passing this morning. Vicki was a wonderful, caring person. When I started at IU Health Bloomington three years ago, Vicki was one of the first to welcome me to the hospital and offered me her assistance if I ever needed it. I loved her laugh and her warm spirit. She will be greatly missed by all of those that had the good fortune to know her. My deepest condolences to your family. May you find peace and comfort in your memories of Vicki.
