“ My thoughts and prayers go out to Violet's family. I am a CNA at Garden Villa and enjoyed taking care of and visiting with Violet. She always brought a smile to everyone's face. I know she will be sadly missed. She was such a kind, warmhearted lady and was a light to all that knew her.

“ Shirley & Vernon,

I log on to the Bloomington paper when we are in Florida to keep up with things and I was so sorry to read of your mother's death. I know the last few years have been hard on both her and you but now she is in a better place and not suffering. I know she left you many wonderful memories and those will get you through the rough times ahead.
