“ I am 55 years old now and I had Mrs. Gritton in the 4th grade at Center Grove elementary. She was one of my favorite teachers. I will never forget her enthusiasm and of course her tepee in the corner of the room 😊 Rest in peace Mrs. Gritton!

“ Geni was an amazing teacher and person, and I was fortunate to get to know her while student teaching in 4th grade at Center Grove Elementary in 1978. She had a true zest for life and enjoyed working with the students. Her love of teaching allowed her to positively impact many kids. She was one of my early role models, and I'll always be appreciative of her friendship.
