“ As a former manager at Big Red for over eight years under Wade I know he will be sorely missed. Big Red would not be where it is today without Wade's leadership. My sympathy goes out to his family during this time.

“ Dear Connie & Family:

I will try to keep my comments brief, as I know you will be reading many notes of condolence. Wade was much more than a business associate, he was a friend and fellow dog lover. Our business meetings could be heated when we were negotiating a transaction, but when the meeting concluded, we emerged as friends. He was firm in his dealings, but fair; which is a rare trait. His word was his bond and he never waivered. I respected him immensely! I will miss our business luncheons where Wade always talked about his family, dogs, and where he and Connie where vacationing next. He will be sadly missed, but not forgotten. Please accept my deepest sympathies. If there is anything I can do to assist your family, please let me know.

Respectfully, Claire Becraft-Nolan
