“ I went to Neil Armstrong for elementary school and won the spelling bee in 6th grade. Mr. Stewart took me to Dairy Queen and bought me an ice cream cone to celebrate. 10 years later, he hired me as a teacher. He truly was a great man and will be missed.

“ I was a student at Newby when Mr. Stewart was principal, and when Neil Armstrong Elementary opened, he invited my mother to work there as a teacher's aide. We also attended church together at First United Methodist in Mooresville, and it was nice to get to know the family outside of school. I have a lot of respect for Mr. Stewart, and the lessons I learned through his guidance.

“ Mr. Stewart was my elementary principal and was so kind. As a vice principal now, I always remember the importance of knowing all students, even the good kids. I think back to the 6th grade when he taught my friend Amanda and I to throw a football. So sorry for your loss.

“ Mrs. Stewart and Family,

I am very sorry for your loss. I was only able to work for Mr. Stewart for his last year at Neil Armstrong. I will always be thankful for the opportunity he gave me, the guidance he provided, and the love he had for the school. Simply put....a wonderful man.
