“ I am so very sorry to hear of your loss. Thank you for allowing me to meet your wonderful, loving family and care for your sweet father. He was very lucky to have your love ("which goes without saying") and support filling the room during his final days. Although it doesn't seem like it now, the pain will ease with time. Just know he will be with you forever. And don't worry, my dad will show him the ropes up there. Thinking of you all.

“ So sorry for your loss. He was a very special man & held a special place in my heart. I worked with him @ Walmart & when he saw me he would always say "There's My Little Southern Belle" & give me a big hug. Always had a smile on his face & could make you smile even if your day wasn't going so well. May God Bless & Comfort you always! Remember the Good Times.

“ My condolences to the Roll family. I am also a 1964 graduate of BHS, and knew Mike well during my high school years. Not only did we share classes together, but we also sat next to each other during homeroom periods. This is really a sad day for me. Again, my condolences.
