“ Dear Mike and Randy,

Mimi (Melanie) wanted you to know how sorry she is that she could not be there. She can not get around at all and needs assistance with everything (she has an atypical Parkinsons syndrome). She wanted you to know she remembers Aunt Colleen fondly and always wanted to be grown up and pretty like her. We will miss her even though we hadn't seen her in the last several years. I remember how gracious she was to me (a vegetarian) when I went to visit her and Uncle Jerry. She cooked a wonderful meal and it was so nice to spend a little time with them. I wish that we all lived closer and knew each other better. So sorry for your loss! With our love, Mimi, Lisa and Family and Leslie and Family

“ Mike and Randy,

I'm not able to do much for myself and can't type with one hand so Lisa is helping me to send this note let you know we will miss Aunt Colleen even though we've lived so far away and haven't seen her in several years. We would have sent flowers for the service if we had known in time. Mimi always wanted to grown up and pretty like Aunt Colleen. Lisa remembers how she and Jerry graciously made time to see her and have supper with her- a delicious chili corn bread. It was so lovely to spend an evening and Lisa wishes we were all closer ! Sending our love to you all! Mimi, Lisa & family and Leslie & family

“ Mike & Randy,
It takes a special person to be a good mom, but it takes an even more special person to be the mom of a great child. You are proof of your mother's great character!! I am sorry you had to lose someone so important and special in your life. We will be praying for you and the rest of your family. Hugs, Duane Hardwick & Tara Woods Pierson
