“ I was saddened to hear of Wanda's death. She was a good soul. Wanda worked for our family for years when we lived in Bloomington. She was always cheerful even when life was serving up lemons. She was faithful in her work and I appreciated her sense of humor and her creative ways to make her life work for her. She loved her family and I know you will miss her. May she Rest In Peace.

“ We will always think fondly of Wanda and all her years helping our family with good humor and a spirit to do her best. She was a good friend to us, our children and our animals. She was certainly one of a kind and will always live in our memories whether introducing us to her family members, mushroom hunting or standing in the utility room ironing shirts (military creases across the back on those shirts) , She taught us a lot.
