“ To the Smith Family,

I am so saddened by Dewayne's passing. I have known Dewayne since we were small children in elementary school and have always had a special place in my heart for him. He was a wonderful, loving person and his smile could light up a room. I cannot imagine what you must be going through but please know that you are in my family's thoughts and prayers. My dad (John DeMoss) also thought very highly of Dewayne and my parents wanted me to express their sincerest condolences. Please let us know if there is anything we can do for you during this difficult time.

“ *Mr. and Mrs. Smith,
Words can't express the sorrow I feel over Dewayne's passing. I wanted you to know that I thought very highly of Dewayne in the brief time that I knew him through my association with HVAF and Back on My Feet. He always greeted me with a smile and a hug. He was a warm caring individual and I know that he loved his family. I believe with all of my heart that his struggle is now over and he is at peace in the presence of God.*

Romans 8:38-39

For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.

“ *Patty- We are so sorry to hear about DeWayne. It seems like yesterday that we were all in the Curry Court neighborhood and all the kids were playing outside. There is nothing that anyone can say to ease your pain but the memories of all the good times will help you through it. Robin and family*
