“ We are SO sorry to see this news!! Scott was our mail carrier for several years. During that time, we had twin baby boys. Even in the cold and snow, we would get outside to play and walk in the stroller, and seeing "mailman Scott" each afternoon was a highlight of every single day. He always greeted us with kind words, a smile or story and a sucker for the kids. Before long, we had 2 two-year olds and a new baby. Scott watched our family grow, and he was a part of our daily life. When his route changed to downtown, the kids would write notes to "mailman Scott" for their Dad to take to his Fountain Square office. He brought joy and smiles to my children, and a laugh and kind word to an exhausted mom home all day with small children. Scott will be missed. I hope he passed knowing how many people's lives he touched on a daily basis.

“ Scotty was one of those guys who always brought something positive to the workroom floor during the nearly 30 years I worked with him at the USPS. He was a generous person and an excellent coworker. So sad he had to leave us so soon.

“ I am so terribly sorry for your loss. Scott was our mailman for many years. We always looked forward to seeing and talking to him. We knew a lot of the same people so we were always talking about "the good old days." I had see him a couple of years ago and he said he was retiring. He was a wonderful guy. He will be missed.

“ I was very saddened when I learned of Scotty's passing. Scotty was my swing carrier when I was assigned to CR 14. He had just started his Postal Carrier and I took him under my wing. Scott he was a great person and City Carrier. Scotty had a way of lighting up the room when he entered....

“ I'm very sorry for your loss. Scott was a wonderful friend. He came over to help hang paneling in my house and needed something to stand on. I only had a single step stool. He tried it and it just wasn't quite enough of a boost to reach the top. We were both cracking up. Lots of great memories.
