“ *I was just looking up Wesley's zip code to send a Christmas card and found that he had died. I'm so sorry. I used to deliver groceries to him and his dog, Albert, when he lived on Mueller Parkway. We would have long conversations. He used to tell me about building bridges and things.*

“ *To Angie and Jack,  
So sorry to hear of your fathers passing. My late husband (Mike Griffith) and your Dad were best friends and worked together for years on bridge construction. Many a stories Mike would share with me on he and "Bucks" days at work. I will treasure those memories. As you and yours will treasure his memories. You and your family are in my thoughts and prayers.*
