Bill graduated from the Indiana University School of Medicine in 1963 and proudly served in the United States Air Force, achieving the rank of Captain. He served in Vietnam as a Flight Surgeon and was the recipient of multiple military decorations in recognition of his service. “ So sorry to hear of Dr. Pugh's passing in January 2026. He was a very caring and helpful Friend -- will be missed at the Monroe County Airport and Cook Aviation. Before we formulated the Cook Medical Clinic for our employees, Dr. Pugh would be so kind to see me as I always had some sort of upper respiratory issue going on. He always knew just what medicine might help. A True Friend !! He is very busy helping God in Heaven with those that need his medical help and kindness. Peace and Love to All in the Family --

“ I remember him seeing me as a physician at Sibbitt and Geiger. I was a child with endless tonsillitis, until Dr. Sibbitt removed them finally. Those doctors were always so kind and caring. I am sorry to hear of his passing.
