“ To Bill's family: I am so sorry for your loss. My thoughts and prayers go out to you. I know when I spoke with him recently he got choked up when talking about Aunt Becky. I feel in my heart that he and her are happy and now back together. God bless you.

“ *Bill & Shirley Kay*
Today was a sad day for all of us. I wore your shoes 20 years ago when my father passed away. I am thankful for all the years I had with Uncle Bill. He helped me move with his red pickup truck when I was at IU. Got me a job parking cars at football games. But mostly he re-enforced the values that my father taught me. He was a great man and will be greatly missed. But we all still have the memories of the happy times with the entire Conder family.
God Bless both of you.

“ *To Bill's Family: I didn't know Bill as much as my mom, her family, and my in-laws' families knew him; but I really enjoyed his sense of humor when I did get to talk to him!*

My mother and her siblings are first cousins to Bill and my in-laws' families grew up in the "old neighborhood" with him.

I know you will really miss him. May God Bless you as you go through this sad loss.
