“ Jenny and Jeff,

*Sorry to hear about your father's passing. I'm not sure if you both remember me or not, my maiden name was Lambert. I have often wondered where you both ended up and have thought about many happy times at church in the youth group. I would love to catch up with you sometime. Feel free to email me anytime. Again, so sorry to hear about your dad.*

“ Jenny, Jeff & Nancy,

*My heart is so heavy about Bill. I wish I could be there with all of you, but I am there in spirit. I have so many great memories of Bill, both as a little girl, while growing up, and as an adult. He always welcomed me "home", no matter how long it had been since I last saw him, and had that great big smile on his face. I hope your memories will give you peace at such a tough time. I love you three very much.*
