“ My thoughts and prayers are with your family. Bill was one of my closest friends back in High School and College. We had some awesome times riding motorcycles, going to the racetracks in Indiana, skipping school once in a while and doing some cruising and racing in some cool muscle cars. We sure had some fun. I'm so glad Bill found me on Facebook this past year and we became Facebook friends and chatted and emailed back and forth many times. I will miss him very much. RIP, my friend.
