

William Tyler Buchtman

July 3, 1995 - March 2, 2016

William Tyler Buchtman, 20, of Solsberry passed away March 2, 2016 at his residence after a long battle with Cystic Fibrosis. He was born in Bloomington on July 3, 1995 to Angela Wyatt and Christopher Buchtman.

Tyler graduated in 2014 from Eastern Greene High School. While there, he was a manager for the boys' basketball team. He was an active member of the Spencer Loins Club where he enjoyed helping out in the community. He was always happy and had a contagious smile that made everyone he met love him. Tyler's struggle made him a most amazingly strong hearted man. He will be missed dearly by loved ones and anyone's heart he ever touched.

Tyler is survived by his wife Pamela Buchtman, whom he married on July 18, 2015; his father, Christopher Buchtman of Bloomington; mother, Angela Wyatt of Solsberry; brother, Devin Buchtman; sisters, Kristi Buchtman, Melanie Wyatt and Bianca Wyatt; grandparents, Michael and Pauline Buchtman, and Russell and Diana Freeman; great-grandfather, Joseph Buchtman; and several uncles, aunts and cousins.

Funeral services will be on Monday, March 7, 2016, at Allen Funeral Home. Visitation will begin at 11am with services at 1pm. Burial will follow at Valhalla Memory Gardens.

Memorial contributions may be made in Tyler's memory to the Cystic Fibrosis Foundation.

The family wishes to thank all the doctors, nurses and healthcare providers who tended to Tyler at Bloomington Hospital, Riley Hospital and Methodist

Hospital.

“ Tyler...we are so heartbroken that you had to leave so soon. We weren't ready for this day to come. When we think back to the time we spent together we remember your smile and laughter, and how you were always joking around. Even with everything you were going through you still had a smile on your face and you didn't let it get you down. You always had a caring heart and looked out for others.

You will continue to be in our thoughts and prayers. In time we will be able to smile and not cry when we think of you, for you are finally free. Breathe easy Tyler Buchtman. Until we meet again...

Love, Aunt Cindy and your cuz Tyrel

“ Tyler...where do I begin? I have so many memories from over the years!

I remember taking you to the Indianapolis Zoo when you were maybe 6 or 7 years old. We had fun that day! I tried to get you to come in the ladies room with me so I could keep an eye on you, but you insisted on going to the men's room on your own.

I remember the countless days and nights at Riley Hospital over the years. We had so many good conversations and time spent together. You once ate the bacon off of your plate and then licked the grease just to gross me out (knowing that I'm a vegetarian). There were also so many times that you were frustrated because the kitchen at Riley would only allow you to order ten pieces at a time. You wanted more like 20 or 30.

I can still remember well the time that I caught you looking at a nurse when she bent over to pick something up off the floor. You were hoping for a glimpse of something lol! We often ordered pizza and brought other goodies (like we were tailgating) when there were IU or Colts games going on.

I'm going to miss you more than you know. I wasn't ready for this day to come. You were my little buddy. For the longest time, I had no children of my own and just relished the opportunity to spend time with my niece and nephews. You were always a special one. You weren't special because you had CF. You were special because of your heart. I love you buddy and will see you again one day.

Tyler though I did not know you personally. You sound as if you were a remarkable young man. May God receive you with open arms and bring you and your family peace.
