“ Vera:

I enjoyed working with Bill in the Engineering Lab at Westinghouse/ABB. He was entertaining, knowledgeable, and always a gentleman.

I respected him not only as a co-worker and friend...but also the fact he always talked so highly of you and how you were the love of his life. His family meant the world to him.

I'm so sorry for your loss,

Karen Sharr

“ *What a joy it has been to be part of the church family of Brother Bill. His love and devotion to the Lord was clear to all that met him. This world will be a little bit lonelier with Brother Bill gone, but our loss is Heavens Gain. Just to know that he has gone on to make sure that the great reunion day will be just right speaks volumes of Brother Bill's love for church and family. I can hardly wait until we once again gather to worship the Lord together once again. Your friend in thr Lord, Rev. Bob Harden and family.*
