“ I am so sorry to hear about Bill. I will always remember the fun days that we had at the Fire Department back in the "old days." Bill was a wonderful teacher and mentor to me as a young man. I just heard about his passing on Thursday morning, and am unfortunately already out of town for work, so I will not be able to attend the services, but I will be thinking about you.

“ Linda, I am so sorry for your loss as I just found out about Bill’s passing. Bill was a very inspirational part of my life both at work and at play! Bill taught me many skills that I continue to use to this day! The time I got to spend with you and Bill over the years will for ever be etched in my mind. I am out of state and unable to return in time for his service but know that you and your family will be in our thoughts and prayers. If you ever need anything please let me know.
