“ I went to Broadview School with Dirk Patton from second through the sixth grade. Dirk was much taller and stronger than anyone else in our class group. Later in life, I saw Dirk at the downtown Waffle House and Dirk would seek me out and speak to me. I remember Dirk's mother and sister were extremely friendly and very kind to everyone. May God be with Dirk's family, loved ones, and friends!

*I got paired up with Dirk on the very first Earth Day in 1970. Great guy and a lot gentler than he looked. I went to Broadview with him. RIP big fella!*
