Dr. William James "Bill" Cron 82

February 9, 1929 – March 24, 2011

Bloomington lost one of its most caring physicians on March 24th of 2011 with the passing of Dr. Bill Cron. With his retirement in October 2010, Bill was Bloomington's oldest practicing physician. Bill died peacefully surrounded by family. Born on February 9, 1929 in Celina, Ohio, he was the son of Carl and Edna Cron. His mother graduated from I.U. in 1918 and became a nurse at Walter Reed Hospital; her influence is much of what drove Bill to become a physician. Bill graduated from Celina High School in 1947 as a member of the National Honor Society and president of his senior class. He graduated from Indiana University in 1951, and in that same year he married his high school sweetheart, Patricia Smalley. Their union encompassed sixty wonderful and loving years, truly a match made in heaven. In 1955, Bill graduated from medical school at Ohio State in Columbus, OH, followed by an internship at Mt. Carmel Hospital in 1956. After that, Bill spent two years in the United States Air Force stationed in Laredo, Texas. In 1959, Bill and Patricia moved to Warsaw, IN where he was in a general practice for 10 years. Bill and Patricia were again on the move in 1969. Bill entered a three year dermatology residency at Indiana University Medical School. They again moved in 1972 to the place they loved, Bloomington, IN, where he opened his dermatology practice. For thirty-eight years, he cared for his patients. He was even known to take a basket of vegetables or a baked good as payment for

services rendered. While going through some of his things this week, his daughter found a piece of paper that he had once clipped. A quote from Einstein was displayed upon it stating, "Try not to be a man of success, but rather to be a man of value." This is the way Bill lived his life by helping others. He was a member of St. Marks Methodist Church, a member of Beta Theta Pi Fraternity, past Chief of staff at Bloomington Hospital, past president of the Monroe County Medical Society, and recently received the Hackney-Norins Award for exemplary contributions to patient care, community welfare, dermatologic education, and specialty of dermatology by his friends and colleagues in Hackney-Norins Society at Indiana University. He is survived by his loving wife of 60 years Patricia, children; Dr. Christopher C. Cron (Rita) Louisville, KY, Catherine C. Hines (Greg) Georgetown, IN, Andrew D. Cron (Tina) Bloomington, IN; all graduates of Indiana University, and eight grandchildren. He was preceded in death by his parents and brother, Jack. He loved his family, Bloomington, I.U. sports, his farm, the Cincinnati Reds, mowing, crossword puzzles, collecting unique sweatshirts, and his chocolate Labrador "Ginger". His was a life of meaning. A memorial service will be held at St. Mark's United Methodist Church on Thursday, March 31st at 1:00 pm. In lieu of flowers memorial contributions in Bill's name can be made to St. Mark's United Methodist Church, Bloomington Hospital Foundation or a charity of your choice.

“ *My sincerest condolences go to the Cron family. From some reason I checked the Warsaw Times-Union web page and read about his passing. He delivered me and my Mom was so impressed with Dr. Cron and his caring approach with her during her maternity that she used his name as my middle name. Rest in peace!*

“ Dear Pat, Chris, Cathy and Andy; we were truly saddened when we read of Bill's passing in our local paper the other night. We remember fondly the weekend we spent with you a few years ago in Bloomington. We will keep you in our prayers over the coming weeks as you adjust to Bill's absence and trust our Lord will comfort you through loved ones and friends and sustain you with many happy memories of a wonderful father, husband and friend. God Bless you. Chris and Kim Cron

“ I was very sorry to learn of Dr. Cron's passing. I normally don't look forward to medical appointments, but an appointment with Dr. Cron was genuinely enjoyable. Not only did he provide skilled medical care, but he coupled it with a smile and often with an entertaining story or anecdote. It was a pleasure to know him. May he rest in peace.

“ I only knew Dr. Cron from my son's 4 or 5 appts with him during the past year. I not only trusted his opinion and care of my son, but appreciated that he treated a 15-year old like an adult and took the time to find common interests. My son looked forward to his appts. May God provide comfort and peace.

“ We are so sorry for your loss of a wonderful man. Our dermatology needs were always taken care of in such a caring and professional manner. His retirement wasn't long enough for him to enjoy. Bill will be very missed by many people in this community.

“ To the Cron family,
I unfortunately did not know Dr. Cron very well as I recently moved to Bloomington. However, I have assumed care of many of his patients in the past 6 months since he retired and I have learned that his patients cherished him very much. He will be greatly missed by his patients and the dermatology community. My deepest sympathy to you all.

“ Dr. Cron was a fabulous physician, very knowledgeable, and super nice man. I worked in the lab at the hospital in the late 70's to mid 80's, and thought he was a fantastic dermatologist, I had to go see him as a patient several different times, and always he took very good care of me.

“ To the Cron Family,
Our heartfelt sympathy goes out to the family of Dr. Cron. In addition to our friendship with the family, he was my wonderful dermatologist for many years. He will be missed.

“ I'm so grateful to have known Bill. He will always be known to me as an Oliver Winery "soft wine" buddy, a faithful IU fan, no matter how good/bad the coach, team or season and the "Turkey King" on Thanksgiving. I know the Cron legacy will continue in Andy, Tina, Dillon, Anna and Max. Sending my love, thoughts and prayers to the Cron family. Kim and Kayla Madigan
