“ Dear all,

I'm so sorry about the loss of your Mom. Wilma was a sweet woman, and always concerned about everyone. I can't imagine the loss you feel, right now, but, God has her in the palm of his hand. I can be sure she is with the Lord.

Because of the weather, I probably won't make it to Allen's, so sorry, But, my prayers and thoughts are with you all.

“ *My condolences to the family of Wilma. Having worked with her as Oral brings back fond memories. When one spends eight hours or more with co-workers you form a bond with a lot of memories. When we go our separate ways either to retirement or job loss we still carry this part of our extended family with us even if we never encounter them again. I was a group leader most of the time and worked closely with Oral. He made it a point to let you know how important his family was to him. He ALSO liked to show us the M&M cookies that Wilma sent to work with him. They both were special people. Prayers for God's Blessings on the family, Sincerely, Pat Sharr*

“ Tom and Dan,

What great memories I have of your mom and dad and the many times we enjoyed Smithville High School basketball because of you guys and my dear husband, Roy. Know that your mother has joined many others who lived for the Lord and is now reaping the benefits.

“ Wisley Family, our thoughts are with you today. I personally want to thank you for sharing your parents with me over the years. I have so many wonderful memories of time spent with them when I was little. Wilma was so special to me and helped make me the person I am today. I was always welcomed at their house with big smiles and hugs... Even if they weren't in the mood to have the neighbor kid stop in :). I love her very much and always will. I was honored to know both of them.

“ Dan, Tom, and all family of Wilma,

My deepest condolences to all of you as you say a temporary farewell to your Mother; I remember Miss Wilma (I am "southernized", and we do not address an elder only by a first name here) as always at the ready to help a child, eyes bright with love and concern. It's my understanding that she merely awaits your arrival in Heaven, to be eternally rejoined.

I'm sorry for your temporary loss. I celebrate with you that the loss is but of this world, and only for a time.

May your hearts be encouraged by the Truth of who she was and who she is.

Blessings to you, and all that is yours,
